

CURRICULUM VITAE

Name: Daniel Nicholas STILES
Date of Birth: 21 August 1945
Place of Birth: Kalispell, Montana, U.S.A.
Nationality: USA

Address: Ol Pejeta Conservancy
Private Bag
Nanyuki 10400
KENYA
Tel. (254) (0)721 252311
E-mail: kenyadan@icloud.com

Education

B.A. Anthropology, University of California, Berkeley, 1972
D.E.A. Diplôme d'Etudes Approfondies (MSc equivalent), Historical Geology
University of Aix-Marseille II (France), 1974
M.A. Anthropology, University of California, Berkeley, 1975
Ph.D. Anthropology, University of California, Berkeley, 1981

Selected Employment/Experience

- 2014 Three year post as Project Manager of the Sweetwaters Chimpanzee Sanctuary Advocacy on Chimpanzee Conservation and Law Enforcement project, funded by the Arcus Foundation.
- 2014 Four month fellowship with Mongabay.org environmental news service to write analytical news stories on extractive industries and ape conservation.
- 2014 Attended the 65th CITES Standing Committee meeting in Geneva, Switzerland.
- 2014 - Six week consultancy with the Natural Resources Defense Council to investigate illegal ivory trade in California.
- 2013 - Attended the 16th CITES Conference of the Parties in Bangkok, Thailand.
- 2012/ - Consultancy with UNEP/GRID-Arendal to assist in preparation of two Rapid
2013 Response Assessment reports on the Elephant Poaching Crisis (*Elephants in the Dust*) and on Great Ape Trade (*Stolen Apes*), that were launched at the 16th CITES Conference of the Parties in Bangkok, Thailand.
- 2012 - Consultancy with African Wildlife Foundation to moderate an international meeting on the rhino poaching crisis and drafted the Plan of Action.
- 2010 - Seventeen month consultancy with IUCN to carry out a study in Central Africa of

- 2011 elephant bushmeat and ivory trade. Published four country case study reports and a summary report. Funded by CITES-MIKE.
- 2008 - Five week consultancy for TRAFFIC Southeast Asia to carry out ivory trade and sea turtle products trade surveys in Vietnam. Published a TRAFFIC report on each.
- 2006 - Three consultancies for TRAFFIC Southeast Asia to carry out an ivory market and
2008 live elephant trade study in Thailand. Published a TRAFFIC report.
- 2006 - Two year consultancy with Care for the Wild International to conduct an ivory
2007 market survey of the USA. Published a monograph report.
- 2005 - Consultancies with One Planet Pictures, UK, in Kenya and Tanzania to develop
2006 a TV documentary series for Sky Television on conserving wildlife and to prepare a background briefing document for participants in a BBC World TV debate on desertification as part of the UN Year on Deserts and Desertification.
- 2004 - Three month consultancy for Save The Elephants and Care for the Wild International to survey ivory markets in Europe (France, Spain and Italy). Published a monograph report.
- 2002 - Two research projects in Thailand, Viet Nam and Myanmar for the National
2003 Geographic Society, "Saving the Asian Elephant". Published two articles.
- 2002 - Six-month consultancy with Save The Elephants to study the ivory trade in China, Taiwan and South Korea. Published a monograph report.
- 2000 - Six-month consultancy with Save The Elephants to study the ivory trade in six
2001 South and South East Asian countries. Published a monograph report.
- 1999- Six-month consultancy with Save The Elephants to conduct a study of the ivory trade in eight Central and West African countries. Published a monograph report.
- 1993- Several consultancies with UNEP to redesign their management information system,
1997 organize an international workshop on social aspects of dryland management and edit the Proceedings of the social aspects workshop and implement follow-up activities. Also had a consultancy with the United Nations Research Institute for Social Development (Geneva) to prepare a report on the linkages between dryland degradation and migration and prepared a publication on the collection, cultivation and marketing of indigenous forest products and prepared a publication on land degradation and migration.
- 1992- Consultancy with UNICEF-Madagascar to design a monitoring and evaluation system for the PAZ, an integrated national plan for children and the environment. Report written in French.
- 1992- Consultancy with UNICEF's Eastern and Southern Africa Regional Office to design a monitoring and evaluation system for National Plans of Action to implement programmes to achieve Child Goals for the year 2000.

- 1988- Several consultancies with the U.N. Sudano-Sahelian Office (UNDP) in New York to assist setting up a projects database and preparation of publications; in Senegal, Mali and Ethiopia to evaluate ecological monitoring, land rehabilitation and afforestation projects respectively and write up technical publications on the projects; to collect information on desertification control and natural resource management projects in the six IGAD countries.
- 1983- Programme Officer in the Desertification Control section of United Nations Environment Programme, Nairobi, in charge of Information and Database Unit, formulation and evaluation of projects, programming and budgets, NGO relations, report writing, preparing publications and editor of the *Desertification Control Bulletin*.
- 1977- Lecturer, University of Nairobi, Kenya
1982
- 1967- Peace Corps Volunteer in Côte d'Ivoire in tropical agriculture. Introduced and disseminated modern techniques of growing and marketing vegetables.

Languages - Fluency in English (native) and French, working knowledge of Swahili.
